

Ever dream of packing it all in and escaping somewhere exotic? Don't we all, but how many of us actually chase the rainbow? My chance came when I was offered voluntary redundancy from the humdrum of my 9 to 5. As I weighed up the proposal, the haunting words of W.M. Lewis resonated within me: "The tragedy of life is not that it ends so soon, but that we wait so long to begin it." In truth, it was an easy decision. My soul had been crying out for too long. It was time for a change. The plan was to cut and run to Thailand. I'd teach English, travel and have some fun in the sun. I'd visited previously on holidays and loved it, so the prospect of a longer stay appealed. English teachers were in short supply there, and teaching always interested me, so it felt right. After extensive research, I decided to enroll on a 4 week TEFL (Teaching English as a Foreign Language) program with Island TEFL. This would comprise a 3 week course on the tropical island of Koh Samui, followed by a week's training in Bangkok. Upon successful completion of the training, I would be assigned to a school, somewhere in Thailand. March 16th finally crawled around, and I set off on my grand adventure to "The Land of Smiles", leaving a tearful "Emerald Isle" in my wake. I booked a return flight for October 1st as I figured I'd try 6 months in Thailand and review the situation then. Some people wondered "what's your plan B if teaching doesn't work out?" There was no Plan B. How did it go? Well read on, but be warned "tales of risque nightlife, a coup, a snake, ladyboys and more lie in wait.

How long do you have to wait before re-entering Thailand after spending 28 days there on a tourist visa? How do I get a tourist visa for visiting Thailand? The best way is to come there with a Single Entry Tourist visa which allow you 60 days of stay. Note: Though I spent roughly three months in Thailand, and six weeks each in Malaysia and Indonesia, for the purposes of this article.

The METV is a flexible long term tourist visa that allows you to stay in Thailand for a maximum period of 60 days each time, during an entry period of 6 months. Guess what? Americans and travelers from all over the world can now obtain a six month multiple-entry Thailand tourist visa.

Hi, tried to find an answer on the internet & in this forum, but no luck With the changed visa requirements/visa runs how do you guys stay in. Once you are given the visa, it's valid for six months. You get a visa put in your passport, so when you arrive in Thailand, you will get a stamp on.

Hi there,. this post may seem a bit vague, but I'll explain what I can. I plan to come to thailand on tourist visa's for 6 months. Will I be able to rent.
