

Boost your math-brain power! Discover the amazing world of numbers and the real-world wonders they represent through creative, totally gettable infographics. Colorful illustrated graphs, word clouds, pie charts, maps, photography, comparative images, and more illuminate the math behind statistics, trends, measurements, and more that we encounter every day. Infographics cover subjects kids care about and can apply to daily living, such as money, food, green living, technology, how things work, and much more. Awesome Q&As with numbers people such as computer programmers, sports statisticians, and more show how math is a cool and useful tool. From the Trade Paperback edition.
