

Level 1 reader. Our high interest ebooks for low level readers are designed to be used as an instructional teaching resource for emergent readers. Sentences in Level 1 are short and repetitive. They are written in the present tense using high frequency words and a few topic words. At the end of the book there are four questions based on the developmental levels of comprehension. The comprehension questions have been included in the ebooks to allow adults to have conversations to support and develop the student's comprehension.
