

The theological and literary beauty of the Gospel of Luke comes to life in Meeting St. Luke Today, written by preeminent biblical scholar Daniel J. Harrington. What truly sets this book apart is the way in which Harrington effectively bridges the gap between modern biblical scholarship and Christian spirituality. In addition to a brief but complete narrative analysis of the Gospel of Luke and essential background information on the Evangelist himself, this book includes suggestions for ways we might pray Lukes Gospel and live out its transforming message in our daily lives.
