

Millions of readers have been transformed by Jeannette Walls's award-winning memoir of resilience amid a deeply dysfunctional childhood. When sober, Jeannette's brilliant and charismatic father captured his children's imagination, teaching them physics, geology, and how to embrace life fearlessly. But when he drank, he was dishonest and destructive. Her mother was a free spirit who abhorred the idea of domesticity and didn't want to take responsibility of raising a family. The Walls children learned to take care of themselves. They fed, clothed, and protected one another, and eventually found their way to New York. Their parents followed them, choosing to be homeless even as their children prospered. The Glass Castle is truly astonishing and poised to stand the test of time.

Developing Applications with Java? and UML 1st (first) Edition by Reed Jr., Paul R. published by Addison-Wesley Professional (2001), What Your Explosive Child Is Trying to Tell You: Discovering the Pathway from Symptoms to Solutions, A Post-Mortem Review, Electricity in locomotion (Cambridge manuals of science and literature), De Opkomst der Abbasiden in Chorasán (Germanic Languages Edition), De Installatie Van Den Belgischen Regent Erasmus II (Erasmus Baron Surlet De Chokier): Ironisch-komische Episode Uit Een Groter Heldendicht, Getiteld De België... (Dutch Edition),
