

In entertaining and unsparing fashion, this book sparkles with Twins highlights, lowlights, wonderful and wacky memories, legends and goats, the famous and the infamous. You'll relive the World Championships of 1987 and 1991, to the miraculous years when Bud Selig almost contracted the franchise, the outrageous number of losses by Terry Felton, the good and bad from the years as Senators, to those offensive internal fights including Twins manager, Billy Martin, punching out his starting pitcher in 1969. The Good, the Bad, and the Ugly Minnesota Twins includes the best and worst Twins teams and players of all time, the most clutch performances and performers, the biggest choke jobs and chokers, great comebacks and blown leads, plus overrated and underrated Twins players and coaches. There are Twins you loved for all the right reasons, and those you couldn't stand, sublime and embarrassing records, and trades, both savvy and savagely bad. Brawls and fights. Rivalries. Compelling photos. And much, much more.
