

This is a book written for those who desire to be part of Gods Remnant Bride, made up of the whosoever wills from every tongue, tribe, and nation, and the message of it is to be awakened now to His love. This requires times of intimacy in His presence. In the days ahead, His glorious Bride will be clothed in the fragrance of His presence because of time spent with Him, and will have experiences from the journey that will speak to others of His great love, grace, and mercy toward all. Threads of Gold declares to all who will dare to make up the Remnant Bride, You can make it through the wilderness, the pit, the dungeon, that sickness, that rejection, that discouragement, that experience of being cast off. Whatever your state or situation in life, you can get to the Palace, for the King desires it to be so. The book shows that every reader is chosen to be part of the Remnant Bride and is truly a unique jewel in the making for Gods glory, and your life is to be a very fragrant and unique aroma which speaks of your personal journey with Him.
